

Radnor Crew Club

August 2025

Dear Local Business,

The Radnor Crew Club is currently looking for corporate sponsors to help support our mission. Radnor Crew Club is an independent nonprofit organization with a mission of developing strong, capable student-athletes. Because the club is open to all students at Radnor High School and previous rowing experience is not required, we are typically the largest team at RHS!

Radnor Crew Club is a club sport rather than a school-sponsored sport, which means we receive little support from the school district. *Your support will enable the girls and boys teams to thrive* – building students' confidence, leadership skills, work ethic, and their ability to see themselves succeed.

Please consider being a corporate sponsor for Radnor Crew Club! You will enjoy significant branding opportunities.
